

Important Information

In order to help ensure coaches and referees are prepared for the 2010-2011 Soccer Season, listed below is information you need to read and understand.

Each coach **MUST** have the following in order for players to be allowed to play.

- ✓ A **2010-2011 player card** for each player on your approved roster. The player card must be signed by the player and it must have a picture attached in a permanent manner to the card.
- ✓ The original or copy of the **approved roster** from Greater Des Moines. If you aren't covered by the rules of Greater Des Moines, you will still need a roster, it may just not be stamped "approved".
- ✓ **Corner Flags** – each coach needs to be sure that corner flags are at the field prior to the start of the game. Check your schedule to make sure that you know when you need to pick up flags and when you are the last team playing as you will need to return the flags.
- ✓ **Alternate jerseys** – make sure you have an alternate available for each player in case the referee deems the jerseys are too similar in color.

Be sure to read and understand the procedures for tournaments, cancellation and reschedules as outlined in the coach's handout that discusses referees.

After reading the information above, please sign below:

I understand the information above and I understand any player without the required documentation will not be allowed to play until the required documentation is provided and approved by the referee. I also understand all required field equipment must be present in order for the game to be played. If I have issues with any of the information presented above, I understand I may contact a board member but the referee shall be held harmless.
